# HEIFERMIX

A balanced ration consisting of cereal grain & legumes, including a full vitamin and mineral spec, including buffers & rumen modifiers (Monensin)

Farmgate Heifer Mix is formulated to supplement growing heifers when pasture production does not meet the requirements of these rapidly growing animals. Feeding heifer mix allows your heifers to reach target liveweight goals, giving them the best chance to become productive milking cows in your herd.

Contains Orego-Stim<sup>®</sup>, a 100% natural essential oil based feed additive that maximizes intestinal health while providing a powerful antioxidant.

16% CP, 12.5 ME, available in bulka bags or bulk loads

Proprietors: Mathew & Tammi Logan

514 Timboon-Terang Road, Ecklin 3265. Phone: 5591 0344
